

GUIDE TO THE HANDBOOK OF POSTGRADUATE COURSEWORK STUDIES

The *Macquarie University Handbook of Postgraduate Coursework Studies* is one of three volumes that together represent the official reference to Macquarie University. It includes details of University legislation, rules and regulations, and principal dates in the University year.

The content of each of the parts of the handbook is described below.

A detailed table of contents is on the first page of each part.

An index at the end of the handbook provides quick reference to particular topics.

Part 1 Student Information

The first part of the handbook contains student information including contact details for Faculties and Departments; the Schedule of Dates for 2010; and general postgraduate student information and details relating to admission, enrolment, records, examinations, scholarships and prizes.

Part 2 Rules and Degrees Offered

The second part of the handbook contains all formal information relating to postgraduate study; the rules governing study. This part also includes information on the rules around fees.

Part 3 Programs and Units

This part of the handbook contains the schedule of postgraduate coursework programs of study and every unit of postgraduate coursework study offered, with a brief description of each unit.

NOTE: The information in the *Handbook of Postgraduate Coursework Studies* is current as at November 2009. For subsequent updating of this information please consult the online version at www.handbook.mq.edu.au.
