

Library, for a new card, and pay the replacement charge of \$10 to the Cashier.

Students should note that the number on the card is their University number which should be quoted on all correspondence with the University.

Change of Name or Address

Students are required to notify the Student Enquiry Service, Registrar's Office, in writing of any change in their name. Students are required to supply documentary evidence of a change of name, such as marriage certificate, certificate of change of name, driver's licence or passport.

Changes of address can be made at the following: <https://student1.mq.edu.au>. Students should ensure that their address details are always up-to-date, as the University cannot accept responsibility if official communications fail to reach a student.

Scholarships

Please note: Details of scholarships are subject to change without notice. The following scholarships are available to undergraduate students at Macquarie University.

ACS Foundation Trust Scholarships

These scholarships are available to full-time students enrolled in a Bachelor degree undertaking a coherent study in computing or the Bachelor of Computer Science, or the Bachelor of Computing and Information Systems. The scholarships are valued at \$5000 per annum.

For further details contact the Division of Information and Communication Sciences; tel: 02 9850 9101.

There may be other scholarships available to students studying in the Information and Communication Sciences area. Please contact the Department; tel: 02 9850 9500

ARC National Key Centre for Geochemical Evolution and Metallogeny of Continents Bachelor Honours Scholarship

Six scholarships are available for students enrolled in an honours degree in the Department of Physical Geography, Macquarie University or in the Department of Geology, Australian National University and undertaking a program of study and research in the area of geochemical evolution and metallogeny of continents. The scholarships are valued up to a maximum of \$2500 per candidate. Shared or partial scholarships may be offered.

For further details contact the Department of Physical Geography tel: 02 9850 8953.

Bachelor of Science Teaching Scholarships

The Divisions of Environmental and Life Sciences and Information and Communication Sciences together with

the School of Education, are offering a limited number of scholarships to students commencing studies in a Bachelor of Science Diploma of Education and who follow a particular study pattern.

The scholarships will be awarded on the basis of UAI, with some scholarships reserved for students who have attended a secondary school classified by the NSW Department of Education and Training as "disadvantaged". Several different levels of scholarships will be offered, for details and an application please see www.els.mq.edu.au/scholarships.html

For further information please contact Dale Scott; tel: 02 9850 8976 or dscott@els.mq.edu.au.

Biology Summer Research Experience Scholarships

These scholarships are available on academic merit to students enrolled in biology undergraduate programs. The purpose of the scholarships is to provide project-based work experience opportunities during the summer vacation. The scholarships are valued at \$275 per week for two to ten weeks depending on the duration of the work experience project.

For further details contact the Division of Environmental and Life Sciences; tel: 02 9850 8418.

Chemistry Scholarship

This scholarship is available to students enrolling in the Bachelor of Science degree undertaking a coherent study in chemistry. The scholarship is valued at \$1000 and is available for up to three years subject to satisfactory progress.

For further details contact the Department of Chemistry; tel: 02 9850 8275.

Division of Information and Communication Sciences Scholarships

Up to seven scholarships are available to commencing undergraduates in the first year of a Bachelor degree program leading to a coherent study in any discipline within the Division of Information and Communication Sciences. The degrees included are the BeBus, BTech(Optoe), BTech(Tele), BE, BCompSci, BIT, BSc in Astronomy and Astrophysics, BSc in Advanced Maths, BBA BIT, BCom-Acturial Studies with the BSc in Computing, BA or BSc in the Division of Information and Communication Sciences.

The scholarships are available on academic merit to students who achieve a UAI of 95 or greater. Up to five of the scholarships are valued at \$2500 per annum and may be renewed for up to a further two years subject to satisfactory progress. One scholarship will be reserved for Indigenous applicants. Up to two scholarships are valued at \$5000 per annum for applicants enrolling in the BIT or BE degrees and may be renewed for up to a further two years subject to satisfactory progress.

For further details contact the Division of Information and Communication Sciences; tel: 02 9850 9101.

Commonwealth Learning Scholarships

The Commonwealth Learning Scholarships are part of the Commonwealth Government's Higher Education Reforms passed in December 2003. Their goal is to increase participation of students from low socio-economic and rural backgrounds by providing them with financial assistance. Two levels of scholarships are available (\$2000 and \$4000 a year) and renewal is contingent on a grade point average of 2.0.

A full list of eligibility requirements for this award can be found on the *Higher Education Support Act (2003)* website: http://www.backingaustraliasfuture.gov.au/fact_sheets/7.htm#a

For further details contact the Undergraduate Studies Section; tel: 02 9850 7321. An online application will be available in late January 2005.

Doris Wallent Scholarships in Mathematics

One scholarship will be awarded for excellence in mathematics in the NSW/ACT Higher School Certificate to a first year student enrolled in the units MATH132 and MATH133 in 2005. Preference will be given to female candidates.

The scholarship is valued at \$1000. For further details contact the Division of Information and Communication Sciences; tel: 02 9850 9101.

Dragan Tosich Memorial Scholarship

This scholarship is available to students with an interest in Serbian Studies and who can show cause for financial support. The scholarship is valued at \$650 per annum.

For further details contact the Department of European Languages; tel: 02 9850 7005.

Fred Roberts Memorial Scholarship

This scholarship is available to a student who has completed the requirements for the award of the Advanced Diploma in Community Management. To be eligible, the student must show excellence in the study and practice of Aboriginal and Torres Strait Islander Community Management as well as having been accepted into another course at Macquarie University. The scholarship is valued at \$1000 and is awarded on a yearly basis.

For further details contact the Diploma in Community Management Coordinator, Mr Sam Altman; tel: 02 9850 8616.

Indigenous Scholarships 2005

There is financial assistance available for Indigenous students who enrol in a Bachelor Degree program at Macquarie University (excluding the Bachelor of Teaching). Details are still being finalised.

For application details contact Warawara, Department of Indigenous Studies; tel: 02 9850 8836.

John Allison and G L Melville Actuarial Studies Scholarship and The Laurie

Schalchlin Memorial Actuarial Scholarship

These scholarships are available to students who are enrolled in or are intending to enrol in the Bachelor of Commerce – Actuarial Studies program or a combined actuarial studies program. They are available to both high school leavers and continuing Macquarie University students. Candidates must be permanent residents of Australia. The scholarships are awarded based on academic merit, financial need and the personal circumstances of the applicant. The scholarships are tenable for one year and valued at \$2500.

Applicants who already hold any other scholarship or award, other than Youth Allowance, will only be eligible to receive the scholarship with the permission of the donor. Intending applicants who already hold another scholarship or award may still apply, and should specify all the details of the scholarship or award held.

For further details and an application form, please see the Department of Actuarial Studies website at <http://www.actuary.mq.edu.au/scholarships>; tel: 02 9850 8574. Applications close on Wednesday 5 January 2005.

Honours Scholarships – Accounting, Finance and Economics

The Division of Economic and Financial Studies offers up to three Honours Scholarships per year in the areas of Accounting and Finance, and Economics. The scholarships are awarded to full-time students on the basis of academic merit in their Bachelor degree program. The standard of academic achievement is measured by the student's grade point average (or equivalent). To be eligible students must be accepted into either the Honours program in the Department of Accounting and Finance or the Honours Degree of Bachelor of Economics. The scholarships are for full-time enrolment in a one-year program and are not renewable. The scholarships are valued at \$7,500 each.

For further details contact the Division of Economic and Financial Studies; tel: 02 9850 8450.

Jan Rakowski Polish Educational Scholarships

These scholarships are available for students enrolled in Polish units of at least six credit points in a given academic year. The scholarships are valued at \$650.

For further details contact the Polish Office in the Department of European Languages; tel: 02 9850 7005.

Le Fevre Chemistry Scholarship

This scholarship is available to full-time students undertaking a Bachelor degree with a coherent study in chemistry. Scholarship recipients will be required to enrol in the following units during the period of the scholarship:

Year 1

CHEM101, CHEM103

Year 2

CHEM204, CHEM207, CHEM208

Year 3

At least 18 credit points of 300 level chemistry including an approved combination of units as defined in the *Handbook of Undergraduate Studies*.

The scholarship is awarded on the academic merit in the Higher School Certificate. It is tenable for three years, subject to satisfactory progress, at the following rates: \$2000 in the first year, \$2100 in the second year and \$2200 in the third year of the scholarship.

For further details contact the Department of Chemistry: tel: 02 9850 8275.

Macquarie University College Housing Scholarships

These scholarships are available to students of Aboriginal and Torres Strait Islander descent. The scholarships provide a fully funded place in Macquarie University College Housing to successful applicants for one year. The scholarships are reviewed annually and may be renewed on the basis of satisfactory academic progress.

For further details contact the Dean of Students; tel: 02 9850 7464.

Macquarie University Honours Scholarships

These scholarships are awarded to students commencing an honours program. Selection is based on academic merit including overall grade point average, grade point average at 300-level, as well as the number of prizes awarded during undergraduate study at Macquarie University. Up to four scholarships will be available in each College, valued at \$5,000 for one year for a full-time candidate, and \$2,500 per year over two years for a part-time candidate.

Please note: The scholarships cannot be held in conjunction with another similar award. No application form is necessary. Suitable candidates applying for an Honours program may be recommended by their Division of Registration.

Macquarie University Human Geography Bachelor Honours Scholarship

This scholarship is available to students undertaking the honours program in human geography and is valued at up to \$2000.

For further details contact the Department of Human Geography; tel: 02 9850 8382.

Macquarie University Innovation Scholarships

These scholarships will be available for students who apply for the first time in 2004 for a place through the Universities Admissions Centre. An Innovation scholarship may be offered to students who are obtaining a 2004 Australian Year 12 Qualification. The scholarships will be distributed evenly across all programs of study.

Students need to be Australian citizens or permanent residents to receive this scholarship. Maximum and minimum UAI may vary across each Macquarie Academic Division based on the quantity and quality of applications. The range of UAI that will be considered are from 99.49 to approximately 98.50. The scholarships are valued at \$2500 and are tenable for the first year of study only. There is no application form, all students who apply through UAC will be considered.

For further details contact the Undergraduate Studies Section; tel: 02 9850 7321.

Macquarie University Super Innovation Scholarships

These scholarships will be available for students who apply for the first time in 2004 for a place through the Universities Admissions Centre. A Super Innovation scholarship will be offered to all students who are obtaining a 2004 Australian Year 12 Qualification, and who achieve a Universities Admissions Index (UAI) of 99.5 or above. Students need to be Australian citizens or permanent residents to be eligible for this scholarship. The scholarships are valued at \$2500 for each year of the students' program of study subject to maintaining an overall grade point average of 3.5 and higher. There is no application form, all students who apply through UAC will be considered.

For further details contact the Undergraduate Studies Section; tel: 02 9850 7321.

Sports Scholarships

In 2004, 61 athletes from 18 sports were awarded Sport Scholarships. In 2005, Macquarie University Sports Association (MUSA) will award Sports Scholarships to new and continuing Macquarie University students. Sports Scholarships are awarded on the basis of sporting excellence, commitment to represent the University at university sport competitions and sporting club involvement. Scholarships are valued up to \$2,500 per annum which includes the following benefits: financial assistance for educational or sporting expenses, academic counselling and liaison, personal development workshops and tutorials, Sport and Leisure Centre Fitness Card membership and access to additional funding to compete in state, national and international sporting events.

For further information and an application form visit the MUSA website www.musa.mq.edu.au or contact MUSA; tel: 02 9850 9485. Applications close 28 January 2005.

Technology Scholarships

Enquiries concerning Bachelor of Technology scholarships in Exploration Geoscience, Information and Communications Systems and Optoelectronics may be directed to the Departments of Earth and Planetary Sciences, Electronics and Physics, respectively.

Ted O'Keeffe Scholarship

The Ted O'Keeffe scholarship is the most prestigious scholarship awarded by the Macquarie University Sports

Association (MUSA) each year. It is awarded to a student in their second year of study or beyond proceeding to a degree or diploma at an undergraduate or postgraduate level at Macquarie University. It is awarded on the basis of academic achievement and contribution to the University and/or MUSA. The scholarship is valued at \$3000 per annum.

For further information and an application form visit the MUSA website www.musa.mq.edu.au or contact MUSA 02 9850 9485. Applications close 28 January 2005.

Macquarie International Travel Grants

Travel grants are available to students seeking a degree at Macquarie University. Macquarie International supports student exchange, conferences, research, language study and internships as well as other short-term study opportunities overseas with a supplement towards their expenses.

For information and application procedures visit www.international.mq.edu.au/abroad.

Tress Cocks and Maddox Scholarship in Law

This scholarship is available to full-time students enrolled in the BA LLB, BCom LLB, BEc LLB, BSc LLB, BAppFin LLB, BBA LLB or BMedia LLB degree programs. The scholarship will normally be tenable for one year only and is valued at \$2000. Applicants for the scholarship must be permanent residents of Australia. The scholarship will be awarded on the basis of academic merit, financial need and the personal circumstances of the applicant.

Application forms are available from the Executive Officer, Division of Law; tel: 02 9850 7682.

Open to all candidates proceeding to the degree of Bachelor. Awarded for proficiency in the unit ECON311 Macroeconomic Policy.

Prizes

The following undergraduate prizes are offered by the University:

The AHEPA Prize

Open to all students proceeding to the degree of Bachelor or Diploma in Languages. Awarded for outstanding performance in Modern Greek units above 100-level.

The Aisling Society Prize

Open to all students proceeding to the degree of Bachelor. Awarded for an essay in Irish history or Irish-Australian history or literature.

The Alf and Pearl Pollard Memorial Prize

Awarded to the most outstanding student in the fourth year of undergraduate study in the Division of Economic and Financial Studies.

The Alan McIntosh Analysis Prize for Mathematics

Open to all students proceeding to the degree of Bachelor. Awarded for excellence in 200 and 300-level analysis units.

The Alpha Geoscience Environmental Geophysics Prize

Open to all students proceeding to the degree of Bachelor. Awarded for excellence in GEOS315

The Alumni Prize (Division of Economic and Financial Studies)

The Alumni Prize (Australian Centre for Educational Studies)

The Alumni Prize (Division of Humanities)

The Alumni Prize (Division of Law)

The Alumni Prize (Division Society, Culture, Media and Philosophy)

The Alumni Prize (Division of Environmental and Life Sciences)

The Alumni Prize (Division of Information and Communication Sciences)

The Alumni Prize (Division of Linguistics and Psychology)

Awarded to the student with the highest UAI entering the first year of an undergraduate degree and registered in the relevant Division.

The AMP Prize for Actuarial Planning and Control Cycle 1

Awarded for proficiency in the unit ACST400 Actuarial Control Cycle 1.

The AMP Prize for Quantitative Methods for Asset Liability Management

Awarded for proficiency in the unit ACST305 Quantitative Methods for Asset Liability Management.

The Annie McGlinchey Memorial Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit PSY305 Personality.

The Arkadi Novicky Prize

Open to all students proceeding to the degree of Bachelor or Diploma in Languages. Awarded for proficiency in the Ukrainian Studies program.

The Arthur Delbridge Prize for Linguistics

Open to all students proceeding to the degree of Bachelor. Awarded for excellence in 300-level Linguistics.

The Arthur Pryor Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit PHYS242 The Tradition of Science.

The Assoc Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit ACST211 Combinatorial Probability.

The Association of Heads of Independent Girls' Schools of New South Wales Prize

Open to all female students proceeding to the degree of Bachelor. Awarded for proficiency in 100-level English.

The Astra Zeneca Prize in Medicinal Chemistry

Open to all candidates proceeding to the degree of Bachelor. Awarded for proficiency in CHEM342 Medicinal Chemistry.

The Australia-Japan Society Prize

Open to all candidates proceeding to the degree of Bachelor. Awarded for proficiency in 300-level Japanese, as well as a significant contribution to the study of Japan, and to future Australia-Japan relations.

The Australian Federation of University Women New South Wales (North Shore Group) Prize for 200-level Biological Sciences

Open to all female students proceeding to a degree. Awarded to the student with the most outstanding performance in two units at 200 level to be named each year by the Head of the Division of Environmental and Life Sciences.

The Australian Federation of University Women New South Wales Prize for 200-level English

Open to all female students proceeding to the degree of Bachelor. Awarded for proficiency in 200-level units in the Division of Humanities, totalling at least eight credit points.

The Australian Federation of University Women New South Wales (North Shore Group) Prize for 200-level History

Open to all female students proceeding to the degree of Bachelor. Awarded for proficiency in two units at 200 level to be named each year by the Dean of the Division of Humanities.

The Australian Federation of University Women New South Wales (North Shore Group) Prize for 300-level Psychology

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in at least two units at 300 level offered in the Division of Linguistics and Psychology.

The Australian Finance Conference Prize for Money and Finance

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit ECON350 Money and Finance.

The Australian Finance Conference Prize for Issues in Competition, Corporations and Securities Law

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit LAW528 Issues in Competition, Corporations and Securities Law.

The Australian Financial Review Prize for Applied Finance

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit FIN310 Topics in Applied Finance.

The Australian Institute of Physics (NSW Branch) Prize

Open to all students proceeding to the honours degree of Bachelor. Awarded for the best performance in the physics honours program.

Australian Meteorological and Oceanographic Society (AMOS) Student Prize

Open to all students proceeding to the an award under the Bachelor Degree Rules (other than candidates for an honours degree). Awarded for proficiency in the unit GEOS216 The Atmospheric Environment

The Australian Psychological Society Prize

Open to all students proceeding to the honours degree of Bachelor. Awarded to the most meritorious student in the honours year in Psychology.

The Austria Prize

Open to all candidates proceeding to the degree of Bachelor. Awarded for outstanding performance in 300-level units totalling at least 12 credit points which form a coherent study above 200-level in German Studies.

The Avaya First Year Prize for Women in Computing

Open to all female students proceeding to the degree of Bachelor. Awarded for the most meritorious performance in the unit COMP 125 Fundamentals of Computer Science.

The Avaya Third Year Prize for Women in Computing

Open to all female students proceeding to the degree of Bachelor. Awarded annually to a third-year female Computing student with the highest overall aggregate performance in third year computing subjects.

The Avaya Prize for Honours in Computing

Open to all students undertaking a full-time program of study at Macquarie University, majoring in Computing. Specifically students enrolled in the BSc Honours (Computing) or the BCompSc Honours. Awarded annually to a Computing Honours student with the highest overall aggregate performance in Computing Honours.

The Barbara Knox Prize

Open to all students proceeding to the degree of Bachelor who are enrolled in a 200-level unit in Australian or English literature to be nominated by the Dean of the Division of Humanities. The Prize will be awarded for literary ability as demonstrated in the writing of an essay on a subject to be determined by the Dean of the Division of Humanities.

The Barry Scott Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in GEOS111 Society, Space and Environment.

The Basil Branford Memorial Prize

Open to all students proceeding to the degree of Bachelor. Awarded for the most meritorious performance in 300-level Auditing.

The Beckman Coulter Prize in Biotechnology

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit CHEM332 Separation and Analysis of Biomolecules.

The Bernard Curran Memorial Prize

Open to all students proceeding to the degree of Bachelor. Awarded by the Academic Senate for the most meritorious pass in the New South Wales Higher School Certificate examination or such other New South Wales examination or method of assessment which may from time to time be substituted therefor in the year immediately preceding entry to Macquarie University.

The Bill Cantwell Prize for Biological Sciences

Open to all students proceeding to the honours degree of Bachelor. Awarded for proficiency in the biological sciences honours year.

The Biophysical Environments Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit GEOS117 Biophysical Environments.

The Blake Dawson Waldron Prize for International Trade and Finance

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit LAW410 International Trade and Finance.

The Blake Dawson Waldron Prize for 200-level Law

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in 200-level law units.

The Chandra Jayawardena Memorial Prize for 100-level Anthropology

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit ANTH150 Introduction to Anthropology.

The Chandra Jayawardena Memorial Prize for 200-level Anthropology

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in 200-level anthropology units totalling 6 credit points.

The Chandra Jayawardena Memorial Prize for 300-level Anthropology

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in 300-level anthropology units totalling 8 credit points.

The Chartered Accountants Prize

Open to all students proceeding to the degree of Bachelor. Awarded for best overall academic performance in 100-level accounting units.

The CCH Prize for Revenue Law

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit BUSL320 Revenue Law.

The Clayton Utz Prize for Information Technology Law

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit LAW429 Information Technology Law.

The Clayton Utz Prize for Trade Practices Law

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit LAW428 Trade Practices Law.

The Clean Air Society Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in GEOS325 Applied Climatology.

The Commonwealth Bank Prize for International Finance

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit ECON360 International Finance.

The Co-Op Bookshop Prize

Open to all students proceeding to the degree of Bachelor. Awarded for the most meritorious performance in the unit BBA 207 Human Resource Development.

The CPA Australia Prize for 100-level Accounting

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in 100-level accounting.

The CPA Australia Prize for 200-level Accounting

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in 200-level accounting.

The CPA Australia Prize for 300-level Accounting — Graduating Student

Open to all students who will graduate with the degree of Bachelor. Awarded for proficiency in 300-level Accounting. Prize includes one year free membership to the Australian Society of Certified Practising Accountants, and medallion.

The David Opas Memorial Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit LAW402 Family Law.

The Department of Business Law Prizes (Various)

These prizes are open to all students enrolled in the following units and proceeding to the degree of Bachelor. Awarded for academic excellence.

- BUSL201 Law in Australian Society
- BUSL250 Business Law
- BUSL301 Corporations Law
- BUSL333 Human Resources Law
- BUSL350 Marketing and Management Law
- BUSL388/437 China Trade and Investment Law

The Department of Psychology Prizes (Various)

These prizes are open to all students enrolled in the following units. Awarded for academic excellence.

- PSY222 Design and Statistics II
- PSY224 Psychology, Health and Well-being
- PSY231 Emotion and Social Motivation
- PSY232 Research Methods in Psychology
- PSY234 Social and Personality Psychology
- PSY235 Developmental Psychology
- PSY236 Biopsychology and Learning
- PSY237 Cognition and Perception
- PSY238 Introduction to Psycholinguistics
- PSY303 Cognitive Processes II
- PSY306 Psychopathology
- PSY307 Organisational Psychology
- PSY314 Applied Child Psychology
- PSY315 Perception
- PSY318 Adult Development and Ageing

- PSY321 Neuropsychology
- PSY324 Animal Behaviour
- PSY325 Principles and Applications of Learning
- PSY328 Psychology and the Law
- PSY331 Design and Statistics III
- PSY332 Principles of Psychological Assessment
- PSY334 Social Psychology II: Personal Relationships
- PSY361 Psychoanalysis

The Diana Terry Award for Excellence in Special Education

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit EDUC341 Learning and Behavioural Problems.

The Dick Makinson Physics Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in 200-level units in physics having a total of not less than 9 credit points.

The Division of Law Prizes (Various)

These prizes are open to all students enrolled in the following units and proceeding to the degree of Bachelor. Awarded for academic excellence.

- LAW203 Torts
- LAW309 Constitutional Law and Administration
- LAW404 Administrative Law
- LAW412 Criminology
- LAW413 Australian Legal History
- LAW427 Special Seminar 1B
- LAW430 Jessup International Law Moot
- LAW431 States and Nations
- LAW434 Communication and Citizenship: Law and Policy
- LAW435 Anglo-American Constitutional History
- LAW436 Modern Corporate Governance
- LAW440 Land Use Planning Law
- LAW503 Taxation
- LAW509 International Law
- LAW510 Environmental Law
- LAW512 Law of International Organisations
- LAW518 Legal Ethics
- LAW519 International Environmental Law
- LAW520 Law and Sexuality
- LAW521 Health Law and Ethics
- LAW522 Advanced Torts
- LAW525 Advanced Topics in Environmental Law
- LAW527 Law and Government

The Elisabeth Hervic Prize

Open to all students proceeding to the degree of Bachelor, the Diploma of Languages or the Graduate Diploma in French. Awarded for proficiency in units above 100 level in French.

The Elizabeth M Liggins Prize

Open to all students proceeding to the honours degree of Bachelor of Arts. Awarded for excellence in the English honours program.

The English Association Prize

Open to all students proceeding to the degree of Bachelor. Awarded for excellence in 300-level literature units totalling at least 8 credit points.

The Erma Whittington Prize

Open to all female students proceeding to the honours degree of Bachelor, specialising in women's studies. Awarded for the most outstanding performance by a student who has completed a coherent study above 200-level in Women's Studies.

The European Union Prize

Awarded for outstanding performance in 300 level units totalling at least 12 credit points in one or more of the languages of the European Union offered by the Department of European Languages: French, German, Italian and Modern Greek.

The Foundation for Astronomy Prize

Awarded for proficiency in the unit PHYS270 Astronomy.

The Frederick Chong Mathematics Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in 200-level and/or 300-level mathematics.

The Freehills Prize for Property Law

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit LAW310 Property in Law and Equity.

The Freehills John Peden Memorial Prize for Commercial Law

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit LAW421 Foundations of Commercial Law.

The Fugro Group of Companies Geophysics Prize

Open to all students proceeding to the degree of Bachelor. Awarded for the most outstanding performance in third-year geophysics units.

The Geological Society of Australia (NSW Division) Prize

Open to all students proceeding to the degree of Bachelor. Awarded for the most outstanding performance in third-year geology units.

The Geology Prize

Open to all candidates proceeding to the degree of Bachelor. Awarded for proficiency in the unit GEOS115 Earth Dynamics, Materials and the Environment.

The Georges Electronics Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in STAT279 Operations Research I.

The Global Environment Prize

Open to all students proceeding to a degree of Bachelor. Awarded for proficiency in GEOS114 Global Environmental Futures.

The Goethe Prize

Open to all students proceeding to the degree of Bachelor. Awarded for outstanding performance in 300-level German units totalling at least 12 credit points which form a coherent study above 200 level in German.

The Greg Henderson Honours Prize

Open to all students proceeding to the honours degree of Bachelor. Awarded to the student who achieves the best first class honours result in Philosophy.

The Harry Henderson Memorial Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in 100-level modern history.

The Hays Accountancy Personnel Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in ACCG200 Fundamentals of Management Accounting.

The Helen Sham Ho Prize

Open to all students proceeding to the Bachelor of Laws. Awarded to the best graduating student in the distance education Law program.

The Ho Kam-chiu Statistics Prize

Open to all students proceeding to the degree of Bachelor and taking at least 9 credit points in 200-level and/or 300-level Statistics units in one academic year. Awarded to the student in this category with the highest average SNG in all Statistics taken at 200 and 300 level in the particular year. A student may be awarded the prize more than once if he/she continues to be the best student in successive years of study.

The Holding Redlich Prize for Aspects of Communication Law

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in LAW417 Aspects of Communication Law.

The Holding Redlich Prize for Intellectual Property Law

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in LAW423 Intellectual Property Law.

The Holding Redlich Prize for Litigation

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in LAW500 Litigation.

The 300-Level Human Geography Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in 300-level units in human geography.

The Hubert Vaughan Prize

Open to all students proceeding to the degree of Bachelor. Awarded for the most meritorious performance in the unit ACST344 Survival Models.

The Huthnance Lomax Prize for Justice Systems

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit BUSL315 Justice Systems.

The HW Piper Memorial Prize

Open to all students proceeding to the honours degree of Bachelor. Awarded for excellence in the English literature honours program.

The Jack Davies Prize

Open to all students proceeding to the degree of Bachelor. Awarded for academic proficiency in GEOS units in physical geography.

The JC Ward, FRS, Physics Prize

Open to all students proceeding to the degree of Bachelor. Awarded for excellence in 300-level physics units.

The Jacqueline Goodnow Prize for Introduction to Psychology I

Awarded for the most meritorious performance in the unit PSY104 Introduction to Psychology I.

The Jacqueline Goodnow Prize for Introduction to Psychology II

Awarded for the most meritorious performance in the unit PSY105 Introduction to Psychology II.

The Jim Jones Memorial Prize

Open to all students proceeding to the degree of Bachelor. Awarded for proficiency in the unit ECON200 Microeconomic Analysis.

The Jim Rose Prize for Honours in Human Geography

Open to all students proceeding to an honours degree of Bachelor. Awarded for excellence in the human geography honours program.

The Jo Pender Memorial Prize for Aboriginal Early Childhood Curriculum
