2. Where the Council has resolved that a fee or charge should be imposed in relation to any matter but has not determined the amount of such fee or charge, the Vice-Chancellor may from time to time determine the fee or charge payable in relation to that matter and that fee or charge shall be the amount payable until such time as the Council otherwise determines.

3. Any student who fails to complete the payment of fees by the time determined by the Council shall be liable to pay such late fees as the Council may from time to time determine.

Explanatory Notes:

N/A Not Applicable

CSP Where it has been stated that a program has Commonwealth Supported Places (previously called HECS places and now referred to as CSP) it may be necessary to limit the number of CSPs in some areas. Every effort will be made to ensure that new students are given a CSP. If it is necessary to limit the number of CSPs, these will be awarded on academic merit. Fee-paying places with access to loans through FEE-HELP are also available in these programs to eligible students. Australian permanent residents are not eligible for FEE-HELP unless they are on a humanitarian visa.

Where a program is listed as CSP/xxx this means that the figure after CSP is the cost per credit point that would apply if there were no available Commonwealth supported places in that program.

3. The Registrar (or nominee) will seek expressions of interest from suitable persons who would be qualified to hold office under the specified category. Expressions of interest may be sought in any manner determined by the Committee except that, when expressions of interest are sought for appointment as graduate members, an advertisement must be placed once in a national newspaper and once in a newspaper circulating in NSW.
4. An expression of interest may be in any form but it must include a statement addressing the nominee's suitability for appointment in terms of the qualifications/skills/knowledge sought, together with information and qualifications and experience and full contact details. It must be received by the Registrar by the due date for the particular round of considerations.
